**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I manage a research organization and host comouting the services for said organization in my apartment. I require a competitive selection of companies to operate effectively, but as it is my apartment was only able to be served by AT&T and LMi. The prior charged more for worse quality and lower speeds. Maintaining a competitive ecosystem of companies for consumers is integral to avoiding the exploitation of consumers. Please think about the good of the whole instead of a select few.
